NEWS NOTES

County Health District Fall Vote Possible

A fall election to create a Madison County health district is the goal of a group of citizens who met Thursday evening at SIU-SW.

Conferring with Forrest Nelson, Illinois Department of Public Health consultant, the group discussed circulating petitions in June and submitting them in September for a Nov. 7 referendum. Dr. Leo Roman of Granite City is temporary chairman of the health group, with Raleigh Freeman of Madison as co-chairman.

The gathering of 20 concluded that a health district is needed to achieve better and more uniform health care in the county. Counties with 100,000 or more residents have had the option to form such a district since 1943.

It was said that a district could be helpful in alleviating the shortage of medical doctors, as well as spotlighting medical problems needing attention and coordinating efforts to solve health needs.

St. Louis Mayor A. J. Cervantes is firmly standing his ground in the effort by him and Illinois Gov. Ogilvie to establish a major St. Louis regional airport at Waterloo-Columbia, Ill.

Guest speaker Thursday night at the 18th anniversary dinner of the Manufacturers' Association of the Tri-Cities, the mayor reviewed steps taken to qualify for Federal Aviation Administration approval, which is expected in April or May.

Assailing as negative the anti-airport activities of Missouri Gov. Hearnes, U.S. Senator Symington and St. Louis County Supervisor Ross Cervantes noted that—despite all its oratory—Missouri has yet to submit an airport application or preliminary financing.

President Richard L. Lich, General Steel Industries Castings Division president, presided and Granite City Mayor Donal Parnery presented Cervantes a certificate as an honorary Granite Cityan.

Continue University Engineering Program

The Southern Illinois University Board of Trustees approved Friday an agreement that will allow the engineering program to continue at the southwestern campus, subject to further discussions and possible future adjustments.

The compromise was drafted late Thursday by the SIU-SW administration and James Holderman, executive director of the Illinois Board of Higher Education (BHE).

The agreement was read during a board session at Southwestern campus by James Brown, chief of staff for the SIU Board of Trustees, after testimony from professional engineers, community leaders and SIU-SW engineering students on the need for continuation of the program. Brown said he was reading the statement on behalf of Holderman and John S. Rendleman/SIU-SW president, who was ill and unable to be present.

The agreement says the current engineering program, which includes more than 250 SIU-SW students, will be funded in the fiscal year beginning July 1 from internal University resources, primarily money from lower priority programs. The Board of Higher Education had voted Jan. 4 to eliminate the SIU-SW engineering program at what it termed a savings of \$222,726.

Approval Not Required
An objection of the Board of Higher Education to the engineering program is that the SIU Board of Trustees never submitted the program on the southwestern campus for BHE approval.

Rendleman, on the advice of legal counsel, told the trustees

Former U.S. Senator Eugene McCarthy, actively seeking Democratic presidential delegate backing in Illinois, will campaign in Granite City, Alton, Edwardsville and East St. Louis on Thursday, March 2. It was announced today.

Carbondale Mayor Neal Eckert, running for the Democratic lieutenant governor nomination on the ticket headed by Dan Walker, will make a campaign visit tomorrow morning to the Quad-Cities.

Community officials and leaders will meet Wednesday morning to discuss the announcement that the Miles Laboratories corn milling plant will close March 31.

Illinois Secretary of State John W. Lewis said Saturday he believes 2,900 employees of his office should be placed under the state personnel code, joining the 500 already given permanent, non-patrol status.

Lieut. Gov. Paul Simon, seeking the Democratic nomination for governor, said Saturday he has already appeared twice with his primary foe, Dan Walker, and plans no further joint appearances. He said he has an inability to agree on procedural rules for a debate.

Tomorrow is the last day for voters to register for the March 21 primary election or to notify the county clerk, Eulalia Holtz, of a change of address.

Pierre Salinger will appear at the SIU-SW Religious Center at 1 p.m. Tuesday, Belleville College at 2:15 p.m. and East St. Louis Community Center at 3:15 p.m. tomorrow on behalf of the presidential candidacy of Senator George McGovern.

Illinois Power Co. said in December Friday it will need to spend \$729 million, including \$500 million yet to be raised, to meet service demands during the next five years.

Four Persons Injured In Highway Accident

Four persons were injured in an auto accident at 6:35 p.m. Sunday at Route 3 and W. Pontoon Road.

Taken to St. Elizabeth Hospital, were John Johnson, 11, and Timothy Johnson, 9, of 2906 Denver St., and Joseph Lax, 38, of Cool Valley.

Mrs. Johnson was admitted following x-rays to the chest, ribs and abdomen. Allen Johnson, 24, Allen Johnson, 11, and Timothy Johnson, 9, of 2906 Denver St., and Joseph Lax, 38, of Cool Valley.

School Filing to Begin

Petitions of candidacy for two memberships of the Granite City Board of Education have been obtained by five persons, including two incumbents who are expected to seek re-election in the April 8 school board elections in the Quad-City area.

The filing period for the school elections will open Wednesday. Petitions are to be filed at the school board offices of the three districts—Granite City District 9, Madison District 12 and Venice District 3.

Arthur L. Metcalf and L. Monroe Worthen, incumbent members of the Granite City board, are among those obtaining petitions. Others are Gerald Gray, 2639 Edwards St.; Cecil Williams, 2429 Kilarney Drive, and Jack Solberger, 3267 Westchester Drive.

Signed petitions may be filed at the Granite board office, 20th and Adams streets, from Wednesday through Friday, March 17, during regular office hours, 8 a.m. to 4:30 p.m. Monday through Friday.

George E. Moore, board secretary, will accept petitions between 8 and 9 a.m. Wednesday. Subsequent petitions may be filed with Mrs. Martha Rochester or other board office employees.

Incumbents Running
Two incumbent board members also are running for re-election in Madison District 12: William Vavra, board secretary, and William Schreiber. Vavra is seeking his second term and Schreiber his third.

Holdover members of the Madison board are Chester McManaway, president; Frank Denver, Harold Fisk, Theodus Kemp and Sherrell Byrd.

Petitions are available at the Wensel L. Brown Building, 1707 Fourth St., Madison, and may be filed there during office hours from 8:30 a.m. to 5 p.m., Mondays through Fridays, beginning Wednesday and continuing through the March 17 deadline.

In Venice District 3, Willie C. Johnson, board secretary, and Fred Rumpf are seeking re-election. Board members whose terms do not expire are Leo Davinroy, president; Richard Bailey, Fred Durer, Jack Tolliver and Elmer Taylor.

Petitions are available and may be filed at the board office, Seventh Street and Broadway, during regular office hours from 7:30 to 4 p.m. Mondays through Fridays.

Formation of Bicycling Club to Be Discussed
A physical fitness builder, the sport of bicycle riding, is growing in the Quad-City area.

One of the keys to the growth of cycling has been clubs formed around the interest of racing, cycle camping and "just plain fun." With this in mind, the local YMCA will host a meeting of a proposed Big Wheels Club for those interested in organized cycling.

Details may be obtained by calling Dunn at the YMCA, 876-7200, or at his home, 876-7232.

The general public as well as cycling enthusiasts are invited to attend. The program will include slide presentations, general discussions on cycling and topics for organization and activities.

Close Miles Plant; Study by New Firm

(Editorial on Page 14)

Miles Laboratories, Inc., on Friday announced its intent to discontinue operations at its Granite City wet-milling facility effective March 31. The company also announced that an agreement had been reached with Corn Sweeteners, Inc. Cedar Rapids, Ia., whereby the company will purchase certain assets other than the Granite City plant and will assume Miles' supply contracts extending beyond that date.

In making the announcement, Miles said a special non-recurring charge will be made against 1971 operating results. The special charge is expected to be approximately \$7,000,000 on an after-tax basis, equating to approximately \$1.32 per share.

In January, the company announced preliminary earnings of \$11,850,000 or \$2.25 per share from last year's operations which did not reflect the special charge.

In making the announcement, Walter Ames Compton, M.D., president and chief executive officer of Miles Laboratories, Inc., said, "The company has a strong interest and technical background in developments in the carbohydrate field."

"It will continue that interest. It is not feasible for us to operate the Granite City plant, a single mill facility, under present marketing conditions which persist in the industry, environmental requirements and proposals, and the advent of new, modern milling facilities."

This decision concerning the Granite City plant does not affect Miles' corn wet milling and refining operations and other carbohydrate chemistry programs elsewhere in the world."

Miles also said that it has made arrangements with Corn Sweeteners, Inc., for that company to conduct an engineering and economic study of the Granite City plant, its facilities, its product lines and future market conditions to determine if it is feasible for Corn Sweeteners to operate the plant.

Corn Sweeteners is one of the newest corn wet milling operations in the industry.

The local plant has been operated with a staff of 500 under the direction of B. J. "Bud" Huns, vice-president of union milling operations of the Marshall Division. The division, headed by R. B. Kocher, is based in Elkhart, Ind., headquarters of Miles Laboratories.

At the time the plant was acquired by Miles five years ago, a Union Division was created, with Granite City designated as the division's world headquarters at the initial meeting.

A Union Division was created, with Granite City designated as the division's world headquarters at the initial meeting.

When the plant's competitive position changed, plans for the

building project were dropped and the division was merged into the Marshall Division. Dashwood became a corporate vice-president and currently is a part of Miles' international division.

There are many long-service hourly employees, and the salaried personnel average 12 years with Miles or with the plant.

Although a bitter 208-day strike occurred in 1965-66 against the former owner, the Union Starch & Refining Co., the relationship between labor and management has improved markedly since then and a "peaceful co-existence" is seeking to make the plant productive and efficient.

The plant has capacity to process about 35,000 bushels of corn for food products.

Additional information, commented by the Press-Record on the plant closing decision follows:

WHO IS AFFECTED?—Virtually all employees of the Union Milling Operations plant of the Marshall Division of Miles Laboratories. The present staff consists of 322 hourly workers and about 175 salaried employees. The 322 include 165 production workers and 100 mechanics, plus service staffs.

The hourly staff consists of guards represented by the United Plant Guard Workers of America and production and maintenance workers represented by Oil, Chemical and Atomic Workers Local 7-683.

An exception to the March 31 closing is the caramel department which will operate for an indefinite period—certainly until July. Its continuation by the Corn Sweeteners firm is considered a possibility. An estimated 10 to 15 jobs are involved.

NEW JOB PROSPECTS—Miles Laboratories is handicapped in relocating Granite City employees because it has no expansion programs in progress at present. It plans three programs to help provide needed jobs:

1. Leonard Conches, industrial relations director at the plant, will coordinate contacts with Paul Campbell of Elkhart, Miles vice-president for human resources, to enable local employees to seek any positions which may be available elsewhere in the company.

2. Miles will contact other employers, community groups and employment services in seeking non-Miles jobs for those out of work.

3. The company will develop a "fair and comprehensive separation program," including severance allowances and pension and insurance adjustments.

Although production will continue at about normal levels until the end of March, part of the time will be devoted to counseling individuals and

small groups on their financial and job options.

REASONS FOR CLOSING—Instead of a purchase price of \$4 per 100 pounds of corn syrup products several years ago, the plant has been selling such products at \$5.70 in an effort to meet competition.

The Union Starch & Refining Co. operated profitably here until the mid-1960s, when construction of more modern plants elsewhere began to reduce the price at which corn products could be competitively sold.

This has caused deficits here for several years. In comparison with other plants in the corn milling industry, the local plant requires too many workmen to operate its equipment.

The caramel department is to remain in operation at least until July and may be continued on an indefinite basis, it was explained Friday.

No decision has been made regarding the future of the former Cargill elevator owned by Miles. Situated on Cargill Road south of Pontoon Road, the elevator is filled with corn at present.

The Miles Laboratories plant in Granite City scheduled to close on March 31 has a history dating back 69 years.

The corn refining mill was owned and operated by the Union Starch and Refining Co. from 1922 to 1967, at which time it was acquired by Miles.

The plant was built by the St. Louis Syrup and Preserving Co. in 1903 for manufacture of corn syrup. Its grind capacity was 12,000 bushels daily.

In 1907, the Corn Products Refining Co., with its chain of corn grinding plants throughout the Midwest, purchased the Granite City plant and manufacturing "Karo, the Spread for Daily Bread." The plant went to a nine-hour working day in 1918.

The plant was sold in 1919 to the Best-Clymer Co. and was operated for three years as the Tempco Corp. Products Co. The operation proved unsuccessful and in February 1922 the plant was sold to Union Starch.

Union Starch was a company founded in Edinburgh, Ind., near Columbus, in April 1904 by Joseph I. Irwin and his son, William G. Irwin.

The plant opened in 1904 with a grind capacity of 300 bushels and was up to 5,000-bushel capacity in two years.

Transfer to Local Area
In 1922, when Union Starch transferred its entire operations to Granite City, products were dry starch for household and other uses, corn syrup, Pennant brand table syrup, corn sugar,

Scout Council Honors 4

More than 350 adult scouters celebrated the 62nd anniversary of the Boy Scouts of America by attending the 22nd annual leader's recognition dinner Saturday night in the Granite City High School cafeteria.

Highlight of the dinner was the awarding of the Silver Fawn and three Silver Beaver awards.

The Silver Fawn, given for exceptional service to scouting by a woman, was awarded to Mrs. Charles (Nadine) Taylor of Granite City, a den mother from 1906 until 1971.

She currently is active in the women's reserve and as a den leader coach. She received the award for her service in 1969 and the scouting Oscar in 1971.

Active in the Nameoki Methodist Church, where she has served as a second grade Sunday school teacher for five years, Mrs. Taylor also served as a Brownie leader in the Girl Scouts for four and a half years.

The Silver Beaver, highest council award for service to scouting and youth, was awarded to Ralph Matthews of Collinsville, David Parrish of Granite City and W. F. "Mick" Strange of Madison.

Parrish, scoutmaster of Troop 99 of Central Christian Church since 1958, and the Unkwa (Quad-Cities) District camping chairman, is an elder of the church.

He has been a Sunday School teacher for 10 years and is sponsor of the church's youth group.

He received the Boy Scout Certificate of Merit in 1961 and the Oscar and Scouter's Key.

Parrish is an active member of the Granite City Optimist Club and is a civil engineer employed as a construction superintendent for the Sternberg firm.

Strange, Press-Record photo editor and a former full-time scout executive, began as an assistant scoutmaster in 1950 and has served as a scoutmaster, explorer advisor, institutional representative, district

board member and council executive board member.

Presently council activities committee chairman, he is a vigil honor member of the Order of the Arrow and received the Oscar award in 1970.

Strange, a Sunday school teacher at Suburban Baptist Church, is a member of the Madison Lions and Rotary clubs and has assisted Madison police many times as an advisor on juvenile matters.

Chairman of two successful "together" scout organizing dinners, he has served as an Order of the Arrow officer training instructor and has worked in the exploring program to bring young men and law officers into closer acquaintance and understanding.

Matthews has been an assistant scoutmaster, scoutmaster, Webelos leader and district committee member.

Norman H. Kinder Jr., a Granite City attorney and news columnist, was also present.

Mrs. Elsie Marlette New Pontoon Beach Treasurer

Mrs. Elsie Marlette, 26 Lakeview Drive, the mother of six daughters, was appointed Pontoon Beach village treasurer Thursday evening.

The action was taken at a recessed meeting of the Pontoon Beach Board of Trustees which was continued from the previous week. The board also refused a request for a liquor license by Fitter Thirlit Market, 4055 Pontoon Road.

Mrs. Marlette is employed as an assistant to loan officers in the installment loan department of the First National Bank at East St. Louis.

She succeeds as board treasurer Carl Hackney who was appointed a trustee to fill the vacancy left by the appointment of former Trustee Otto Kreher to the village president.

Kreher was appointed to the president's (mayor) post upon the resignation of Thomas Staloff on Jan. 27. Staloff has served as the village's only president since its incorporation in 1965.

Life-Long Resident

The new village treasurer is a lifelong resident of the Granite City area. Her husband, Jim "Bud" Marlette, is employed in construction work. He is a member of Operating Engineer's Union, Local 620 and a former radio dispatcher for the Pontoon Beach Police Department.

The family has resided at its present address in Pontoon Beach about two years. The couple's daughters are Mrs. Bill (Sherry) Cowan of Granite City and Debra, 18, Dana, 16, Aerie, 14, Michelle, 8, and Nicole, 5 years, all at home.

Hearing Procedure Set Up For Madison Junior High

By DONNA HARTWICK Press-Record Staff Writer

Appointment of a two-man investigation team and a hearing officer to help solve differences among students at Madison Junior High School was approved by the Madison Board of Education Thursday night.

Assistant Supt. Wade James and Security Officer Emmett Pavia will secure information relating to disturbances at the school and present their findings to William Kinder, board attorney, who was named as the hearing officer.

Kinder will hear the cases and make recommendations to the board, which will take final disciplinary action where the board deems it justified.

"We are requesting the assistance of all teachers and parents in working out an impartial program to eliminate any hoodlum element creating unrest in the school, and we will proceed

without fear of intimidation," President Chester McManaway told the gathering of 30 persons.

"Only with the cooperation of all concerned can the board work out a fair and equitable solution to the current problems," McManaway added.

The father of a 13-year-old boy who was admitted to St. Elizabeth Hospital last week with a possible concussion after he had been beaten and knocked unconscious by several students at the school entrance spoke to the board.

He stressed his fear that such an incident might be repeated unless more protection is afforded the students.

Another 13-year-old student was treated for abrasions and a swollen right eyelid at the hospital about the same time. It was reported at the meeting that he now is under the care of an eye specialist.

One of the parents said he has filed an assault and battery charge.

Time Reduction Helpful

A reduction in time for lunch periods and the interval between class periods apparently has been effective in curbing some problems, Fred Riddle, school superintendent said.

Riddle reported that several musical instruments were taken from Madison Junior High School and from Dunbar School and food was taken from the cafeteria at Dunbar in recent break-ins. No estimate of the value was given; an investigation is being made by Madison police.

Supt. Riddle said, he replaced plastic wastebaskets with metal containers in girls' rest rooms at both the Junior High and Dunbar after fires were discovered in plastic containers last week.

Governments Exempt From Most Controls
Federal, state and local governments have been exempted from most of the price controls of the Economic Stabilization Program.
Jay G. Philpott, Internal Revenue Service district director for central and southern Illinois, said today that new price control regulations published in the Federal Register on Jan. 27, allow federal, state and local governments to adjust prices on any work, service, publication, facility, license, or other similar items of value performed, furnished, or issued by the governmental unit.
Tuition and other charges for schools, colleges, or universities owned and operated by a state or local government also have been exempted under this Price Commission ruling, as have charges for water and sewage disposal.
Philpott noted, however, that price controls have not been lifted on fees and charges for health services or utility services, including gas, electricity, telephone, telegraph or public transportation, provided by government agencies.
Anyone needing further information or assistance on the Economic Stabilization Program regulations should contact the Internal Revenue Service.

WHAT IS A FEVER?
Simply stated, a fever is a rise in your body temperature. But, this rise above the usual norm of 98.6 does not by itself mean that you are ill. Fever is actually a reaction by the body to a great many possible conditions. Colds, injuries, excessive exposure to heat, even some malignancies can affect the portion of your brain that regulates temperature and cause it to rise.
The important thing to know is, whatever the cause, a fever is a signal by your body that there might be something wrong. Always have an accurate dependable thermometer in the house. We carry a large selection of oral and rectal thermometers and will be glad to recommend one.

YOU OR YOUR DOCTOR CAN PHONE US

Rose Ceremony Honors Nameoki PTA Leaders

The Parent-Teacher Association of Nameoki School met last week to announce plans for its annual "basketball bazaar" Friday, March 3, and to recognize past presidents.

Mrs. Joyce Jenness, chairman of the bazaar, reported that games of skill and a cake walk will be featured at the fund-raising night. Activities will get underway at 6 p.m., and food served will include sandwiches, salads and desserts. Highlight will be basketball games by fifth and sixth graders coached by Mrs. Eugene Keho, physical education teacher at Nameoki.

A traditional "rose ceremony" was conducted in honor of the unit's past presidents.

Those who received yellow roses from Mrs. Joyce Tracy, vice-president and program chairman, were Mesdames George Holtzner, Harold Stewart, Howard Bischoff, Dina Fox, Ronald Pyle and Walter Spiceland, Donald Kopp, principal of the school, and Walt Volkmar, Mrs. Robert McKinney, Eugene Monahan, Mrs. Kate Bailey, Mrs. Vera Farrow and Mrs. Katie Wilson.

Cub Scouts of Pack 46, Den Eight, led by Mrs. Alice Selph, conducted an opening flag ceremony. Den Six Scouts, directed by Mrs. Pat Heatherly, gave a play, as did Den Seven, led by Mrs. Delores Rose. Webster Den Two displayed optical illusion cards under the direction of Mrs. Helen Miller.

The business session was conducted by Mrs. Virginia Apperson, president, and reports were submitted by Mrs. Burke

ara Butler, secretary, and Mrs. Alice Selph, treasurer.

Announcement was made of a meeting tomorrow at 7:30 p.m. at Nameoki School for parents whose children will be attending the new Johnson Elementary School.

Also announced were plans for another roller skating party at the Stardust Rink Feb. 28 from 6 to 8 p.m. Principal Kopp tickets will be 75 cents.

The nominating committee, Mesdames Phyllis Bruatti, Marian Sipole, JoAnn Vaughn, Virginia Apperson and the chairman, Mrs. Farrow, presented the following slate of officers: president, Mrs. Joyce Tracy; vice-president, Mrs. Bruatti; recording secretary, Mrs. Sipole; corresponding secretary, Mrs. Linda Rozzycki; and treasurer, Mrs. Ruth Pope. Voting will take place later in the spring.

The room award went to Mrs. Goldie Glen's third grade class, and refreshments were served by third grade room-mothers.

Pack 46 Banquet Set Tuesday

The annual "Blue and Gold" banquet of Cub Pack 46, sponsored by Nameoki PTA, will take place at 6:30 p.m. Tuesday in the cafeteria at Coolidge Junior High School. The date was incorrectly listed in a previous news item.

Cubmaster Benny Miller said an awards ceremony is planned and a program of magic will be presented by magician Bill Apperson.

In addition to marking National Boy Scout Month, the dinner will serve to honor third, fourth and fifth grade teachers at Nameoki School, Miller said. All Pack 46 cubs and their parents are urged to attend, the pack official added.

MRS. ROBERT DAVID CONAWAY, the former Miss Rita Jean Mahurin, a daughter of Mr. and Mrs. James L. Mahurin, 4120 Division St., who was married Saturday at St. John United Church of Christ.

Miss Rita Jean Mahurin, Robert Conaway Are Wed

Miss Rita Jean Mahurin, a daughter of Mr. and Mrs. James L. Mahurin, 4120 Division St., and Robert David Conaway, son of Mr. and Mrs. Robert L. Conaway, 3103 Wayne Ave., exchanged wedding vows Saturday afternoon at St. John United Church of Christ.

Officiating at the two o'clock service was the Rev. Phillip Lamar before an altar decorated with arrangements of white carnations.

Mrs. Irene Barrick, organist, presented a program of wedding music preceding the ceremony.

For her wedding, the former Miss Mahurin chose a white velvet gown featuring an Empire waist and long full sleeves with wide cuffs edged in delicate white lace. Lace was repeated at the neckline, formed a V design on the bodice and encircled the waist.

The former Miss Mahurin wore an extremely long Mantilla veil gracefully extending to

the cathedral length and trimmed with an elegant band of lace. Her bouquet was a cascade arrangement of white carnations and pink sweetheart roses. Miss Donna Isom, maid of honor and Miss Linda Conaway, a sister of the groom, bridesmaid, wore identical dresses fashioned of wine red velvet with a white lace bodice and long sleeves, styled to match the bridal gown.

They were large velvet bows attached with matching colored veils on their hair, and they carried white fur muffs covered with frosted Patricia carnations and tied with pink ribbons.

Little Christina Bailey, flower girl, was dressed in a frock similar in style to the bridesmaids. She also carried a white fur muff. David Parazon a cousin of the groom, was ring-bearer.

The groom chose Tim King as best man, Barry Mahurin, the bride's brother, as groomsmen and ushers included Denny Wright and Jeff Parker.

Mrs. Mahurin, mother of the bride, was attired in a coat and dress ensemble created in white fabric with a red design. The groom's mother, Mrs. Conaway, chose a pink knit dress with long sleeves.

Miss Cheryl Mahurin and Miss Debbie Conaway, sisters of the bride and groom, respectively, presided at the guest book at a reception given at the Venice-Madison American Legion Hall. About 250 guests attended.

After a wedding trip to Chicago, the couple will make their home in Madison.

Both young people are 1971 graduates of Granite City High School. The bride is employed at Granite City Steel Co., and Mr. Conaway works at Progressive Refractories, Inc., St. Louis.

WOMEN'S COUNCIL
HEARS MISSIONARY

The Women's Missionary Council of the First Assembly of God Church met their Wednesday afternoon for its monthly meeting and devotional and a pot luck dinner.

The program featured a missionary and his family, the Rev. and Mrs. Charles Craft and daughter, Patti. They spent three years in British Honduras and have been visiting in Granite City the past month.

The council president, Mrs. Nola Heiney, opened the worship program with congregational singing and prayer. Rev. Craft spoke on several topics, using Scripture verses, and showed films of his missionary work and foreign churches. His daughter played the accordion and sang in Spanish.

The Crafts have been staying in an apartment at the Pentecostal Assembly, 4650 Maryville Road, of which the Rev. Harold Maynard is pastor. The Crafts consider the Assembly as their home church. Mrs. Craft is a former local resident, the former Shirley Thomason.

On April 1, the Crafts will leave for Guatemala, where they will work as independent missionaries.

Dinner was served to Mesdames Evelyn Stark, Edna Menke, Grace Burns, Della are Mrs. George Edwards, Gertrude Reel, Galtner, Clara Vogler, Heiney, Maggie Wickman, Ernel Williams, Mable Lowe, Minnie Kins, Louella Sparks, Irene Stoval.

Mesdames Jenny Zinner, Bonnie Wallace, Daisy Worthen, Letitia Lewis, Ola Fowler, Arizona Hollis and Della Keller, Mr. and Mrs. Riley Wilkins, Mr. and Mrs. Virgil Honeycomb, Mr. and Mrs. Grayson Davis, Mr. and Mrs. Roy Filbey, Ed Henson, Harvey Steward and those mentioned.

CELEBRATE FIFTH WEDDING ANNIVERSARY
Mr. and Mrs. John Passig, 1931 Maple St., celebrated their fifth wedding anniversary at a dinner.

Both graduated from Granite City High School. They are the parents of a one-year-old daughter, Johnny Kay Lynn. Mr. Passig is employed at the American Steel Foundries.

A brother and sister-in-law, Mr. and Mrs. Donald Dunahoe, helped celebrate the occasion, enjoying dinner and a white decorated anniversary cake at the Round Table restaurant.

Linda Larner Is Engaged

The Rev. and Mrs. Robert Larner, 406 E. Jefferson Ave., McLeansboro, Ill., are announcing the engagement and forthcoming marriage of their daughter, Miss Linda Maureen Larner and Gary Blackwell, son of Mr. and Mrs. LaRue Blackwell of Carbondale.

Miss Larner is a student at SIU-Carbondale campus where she is working toward a bachelor of science degree in English. The prospective groom received his bachelor of arts degree in Music Theory and Composition in June 1971. He is now a graduate student at SIU-Carbondale and will receive his master of arts degree in August.

An August wedding is planned by the betrothed couple. The bride-elect's maternal grandparents, Mr. and Mrs. F. B. Carrington, reside in Granite City. Her paternal grandmother, Mrs. Hazel Larner, formerly of Granite City, now lives in McLeansboro.

Q. TRA AUDITION WINNERS. Mrs. Maurice Daily of Granite City, at right, past president of the SIU-SW Friends of Music, presents cash awards to top contestants in the Metropolitan Opera auditions at Southern Illinois University-Southwestern campus. From left to right—David Gordon, Troy, first place winner; Alex Montgomery, Springfield, Ky., second; and Charlotte Moore, Marion, Ill., third. They will compete for regional honors in Chicago in March.

Five to Compete in Met Opera Regionals

Five young Illinois singers have been selected to represent 35 southern counties of Illinois March 11-12 in the regional Metropolitan Opera auditions in Chicago. The preliminary competition was held at SIU-SW.

First place winner was David Gordon of Troy, a special student of Dale Moore, professor of voice at SIU-SW. Other winners, in order of their selection, were Alex Montgomery of Springfield, Ky., a student of Burt Kageff at SIU-Carbondale; Charlotte Moore

of Marion, a student of former Metropolitan Opera star Marjorie Lawrence, now on the faculty at SIU-Carbondale; Angela Daley, Bridgeton, Mo., a special student of Prof. Moore; and Linda Hodge, Belleville, who studies with Miss Lawrence. Miss Hodge placed third last year in the Met competition at Chicago.

In addition to being selected to represent southern Illinois at Chicago, the five finalists received cash awards. Each received a \$50 award presented by Mrs. Richard Simpson, director of the Chicago region auditions. The three top winners received additional cash awards from the SIU-SW Friends of Music, presented by Mrs. Maurice Daily of Granite City, immediate past president. Judges of the auditions at

SIU-SW were Edwin Blanchard, professor of voice at Bradley University, and Sydney Murray and Ethel Closson Smith, voice professors at Indiana State University.

SPRING 1967 CLASS TO HOLD REUNION JUNE 24

Several members of the June 1967 graduating class of Granite City High School met last week at the home of Mrs. Faye (Briggs) Hester, 84 Karen Drive, for initial planning for a 15-year reunion.

June 24 was selected as the date for the reunion, which will be held at Augustine's restaurant, Belleville. During the next three weeks, efforts will be made to locate the present whereabouts of each class member.

The group will meet again on March 7 at the home of Mrs. Alyce (Briggs) Sigite, 2332 Westmoreland, and any class member wishing to help plan the reunion is being urged to attend that meeting.

"Anyone interested in joining the auxiliary or in learning what we are trying to accomplish is invited to attend a quarterly meeting at 7:30 p.m. Tuesday at the Madison County Nursing Home, 2121 Troy Road, Edwardsville," the woman said.

Volunteer workers are needed to do floor duty, such as sorting laundry, serving ice water and feeding patients, among other jobs. Assistance in craft projects and at parties likewise is provided by the auxiliaries.

On Sunday afternoons workers are needed to help wheelchair patients to the nursing home chapel and then to their rooms.

Many volunteers do sewing at home, including mending clothes, the spokeswoman said. The auxiliary's current sewing project is making bed gowns out of used white or colored fabrics.

Persons having "old" shirts to donate to the project may take them to the auxiliary room at the county nursing home.

Nursing Home Auxiliary Needs Volunteer Aides

The Madison County Nursing Home Auxiliary urgently needs additional volunteer workers to help the group carry out its program of assistance at the two county facilities, where a total of 126 patients are housed.

"It takes lots and lots of heart to successfully operate a nursing home and our group is trying hard to supply its share by furnishing willing volunteers working in many areas of service to the elderly," a spokeswoman for the auxiliary said.

Although organized on an informal basis about one year ago, the auxiliary still has to elect its first slate of officers. Plans are now being made to name officials, the spokeswoman said.

Guelker Named To NCAA Post

Bob Guelker, varsity soccer coach at Southern Illinois University-Southwestern, has been named to the rules and tournament committee for post-season soccer competition by the National Collegiate Athletic Association.

Named along with Guelker, who is also coach of the United States Olympic soccer squad, were Al Miller of Hartwick College, Oneonta, N. Y., and Don Jones of Drexel University, Philadelphia.

The committee sets up the rules for conducting all NCAA post-season tournaments.

Golfing Cougars Set For Rebuilding Year

"It'll be a rebuilding year," Harry Gallatin, coach of the golf team at Southern Illinois University-Southwestern, has predicted.

"We have only two lettermen back, Marty Baker and Bob Blarke," he explained, "and with the tough schedule we have, plus the loss by graduation of our three best golfers of last season, it'll be rough going."

Gallatin, athletic director as well as varsity golf coach, has put together two outstanding seasons directing the Cougar golf team. In 1970, the Cougars won 27 and lost 6 and qualified for the post-season National Collegiate Athletic Association tournament.

Last season his golfers won 27 and lost 6 and again qualified for the NCAA post-season national tournament.

Lost by graduation were Tom Kamman, Chuck Eckley and All-American Mark Boyajian,

all from Belleville. Gallatin is still hopeful of posting a winning season. "After all, I have my number for (Bob Blarke) and number five (Marty Baker) players back, plus several stand-out freshmen," Gallatin explained. Blarke is from Edwardsville and Baker, a McCluer High grad, lives in Florissant, Mo.

On the basis of workouts held last fall, his nine-man squad is as follows: Blarke, Russell Pierce, Belleville; Baker, Robin Johnson, Charleston, W. Va.; Marty Kelly, Belleville; Lee Agne, Belleville; Terry Soucek, Belleville; Dave Rouland, Granite City, and Richard Giles, Collinsville.

Practice sessions, preparing for a southern trip and the regular season, are being held at Cahokia High School, Gallatin said. As soon as the weather improves, the squad will hold challenge rounds on Tuesdays and

Fridays at the Sunset Hills Country Club.

"Our main meets this season," Gallatin said, "will be the triangular slates April 28 and 29 at Sunset Hills and O'Fallon, plus the two matches with Indiana State University, because they are in the same conference as SIU-Carbondale." The triangular may decide the two berths in the NCAA tournament. SIU-SW will play its home matches at Sunset Hills.

The schedule: March 29, at South Florida; March 21, at Florida Southern; March 22, 23, 24, 25 at Miami University; April 4, at Eastern Illinois University; April 7, at Washington University, St. Louis; April 8, at Western Illinois University.

April 11, St. Louis University; April 14, Princeton, Indiana State and Washington University; April 17, at St.

Louis University; April 21, at Princeton; April 22, Illinois State Invitational; April 24, at University of Missouri, St. Louis.

April 25, MacMurray College and Millikin University here; April 28, Eastern Illinois University, Western Illinois University, Western Illinois University and University of Missouri, St. Louis, at Cougar Classic at Tamarack Country Club, O'Fallon.

May 1, at MacMurray College, Jacksonville; May 5, Northeast Missouri State University of Missouri, Rolla, here; May 9, Indiana State and Loyola of Chicago here; May 18, at Indiana State.

Wrestling Cougar Cagers Split Two Games on Road

There's two more games on Southern Illinois University-Southwestern basketball schedule and two victories would give the Cougar cagers of Coach Jim Dudley a rather solid record.

The Cougars will be at Cape Girardeau, Mo., Thursday night to play the Indians of Southeast Missouri State, who are 12-9 for the season, and on Saturday they will close out their campaign at home with Indiana State University of Evansville furnishing the competition. It will be first meetings for all three schools.

On the long bus ride back Sunday morning from the town that made beer famous where the Cougars had dropped a thriller, 83-71, to the University of Wisconsin, Milwaukee, Saturday night, Coach Dudley and his assistants, Ed Bigham and John Martin, weren't as downhearted as one would think as they reviewed SIU-SW's 4-20 season.

"There's two short defensive lapses," sighed Dudley, whose team had trailed Milwaukee by only six points at the half, 36-42. "We could have beat them."

He ticked them off: the three straight UWM three-point plays in less than two minutes midway in the first half and the three quick baskets (in 33 seconds) by little (6-10) guard Harold Lee, beginning the second half.

"There's 15 points for them in which we didn't score," said Dudley, shaking his head. In the two schools' first meeting Dec. 9, UWM beat SIU-SW, 97-85, at Edwardsville.

In the victory over the University of Illinois at Chicago Friday night it was Denny Thronberry's deadly accuracy from outside which paced the Cougars. He finished with a game high 31 points.

Against Milwaukee, Thronberry's running mate, Tony Johnson, paced the Cougars with 24 points, second only to the winners' Henry Davis, who made 27 Davis' 27 points was 21 over 21-game average. Said the Panthers' coach, Charles Parsley: "If Davis doesn't come up with the best game of his career, Southern would have beaten us."

Parsley's team, now 13-9 for the season, has captured a growing and noisy following in the basketball crazy town of Milwaukee, competing for the attention of cage fans nuts about the Bucks and Marquette. In UWM's six-point loss to Creighton Thursday night at the Arena, the Panthers drew more than 8,000 fans.

After the Milwaukee game, Dudley was the recipient of a most unusual apology. Said a sports reporter from the Milwaukee Journal: "My pre-game story on SIU-SW's game tonight with Parsley's Pack was written hastily and mostly on the basis of your 3-19 record and

I didn't take the time to look up who you'd played... Eastern Michigan, Louisiana Tech and Louisiana State University, New Orleans—no just mention three and I wrote that you all would hardly be more than a practice scrimmage for Milwaukee."

He added: "I couldn't have been more wrong and if Parsley doesn't put his boys into a stall with four minutes to go you might have caught and beat them."

Still shaking his head, the man went on: "I covered Milwaukee's 11-point victory here over the Salukis of SIU-Carbondale earlier this season and the game's outcome, the final 10 minutes, at least, wasn't never in doubt. But, tonight it was until Parsley went into the stall."

The 4-20 SIU-SW season has been a frustrating one for Dudley. After posting the Cougars' first winning season last year (15-11) in his debut as a career college coach, he has suffered his first losing season as a coach.

On the long, dreary bus ride back to the campus here, Dudley, Bigham and Martin considered long lists of high school and junior college players they wish to sign in SIU-SW's basketball building plans for the future.

"If you could sign another Jim Chones and even knowing he'd sign with the pros at the end of his junior year, would you, Coach?" he was asked. Without a second's hesitation, Dudley answered: "Yes."

Eight Area Refs To Blow Whistle In Class A Play

Eight area referees have been assigned to work Class A regional high school basketball tournaments this week. Victor C. Buehler of Granite City will officiate in the second game of the Columbia tournament in which Madison and Venice are entered. He will be joined by R. Douglas Logsdon of Belleville. Assigned to the other games are Paul W. Levo of Troy and Joseph P. Wojtowicz of Nashville.

Referee assignments include: Russell L. Chappell and Richard F. Wade of Granite City, games 1, 3, 4, 5 and 6 at Carleton; Keith Parker of Granite City, games 1, 3, 4, 5 and 6 at Freeburg; Andy Sullivan of Granite City, games 1, 3, 5 and 6 and Stanley Serwatka of Madison, games 2 and 4 at Greenville; Gordon L. Galtbreath of Granite City, games 2 and 4 at Pana; and John M. Murphy of Granite City, game 2 at Pinckneyville.

Trojans Downed By Robinson

Madison High School's Trojans lost their final game of the regular basketball season at home Friday as Robinson won 70-61.

The game gave the Trojans a 7-14 record for the regular season. They now play in the Columbia Class A regionals at 8:30 p.m. Tuesday against Lebanon.

Madison was never outscored by more than three points in any quarter as they were 13-12, 13-22 and Robinson went 13-15, 15-23.

Senior Trojan Guard Vernell Glasper tried to spur the Trojans forward as he hit 19 points. Ed Chandler was again cold and able to tally only six points.

Trojan Senior Terence Young helped out with 16 points. Other Trojans scoring were Roger Glasper 8, Jerry Bedford 7, and Anthony Matthews 4.

Robinson racked up 25 field goals and 20 charity tosses, and Madison hit 20 from the floor and 21 free throws.

Trojans, Devils Set For Regional Action

The Madison Trojans and the Venice Red Devils will be competing for honors in the Columbia Regional Class A high school basketball tournament which begins tonight and ends with the championship game at 7:30 p.m. Friday.

Venice will open the tourney against Columbia at 7:30 p.m. today.

The Red Devils opened their 1971-72 season by beating Columbia 71-64 on Nov. 30, 1971. The Devils, if they win their opener, will take on St. Henry's of Belleville at 7:30 p.m. Wednesday. St. Henry drew a bye in the seven-team tournament.

In the Dupu Tourney Venice blasted St. Henry's 63-45.

Trojans vs. Lebanon The Trojans play their first game against Lebanon at 8:30 p.m. Tuesday. It will be the first meeting of the two teams this year.

In the second game, Brooklyn will meet Dupu. If Madison wins its game Tuesday, the Trojans will play the winner of the Dupu-Brooklyn game at 7:30 p.m. Thursday.

Throughout the state, 475 high schools with enrollments of less than 750 students are participating in Class A tournaments this week.

Beginning Feb. 29, 234 schools with enrollments more than 750 students will compete in Class AA regionals.

Granite City High School will host the Class AA play for this area.

The Warriors will play their first game at 7:30 p.m. Feb. 29 against the winners of the Highland-Roxana tilt at 7:30 next Monday.

Track Facilities Set at SIU-SW

Track and field activities will be developed at Southern Illinois University-Southwestern under a contract approved Friday by the SIU Board of Trustees.

The work will be done by Atlas Paving Co. of Godfrey at a cost of \$97,225.

A quarter-mile, eight-lane rubber-asphalt oval track will be developed west of the soccer field. A steepchase pond, high jump, long jump, javelin, shot put, discus and pole vaulting runways and pits will be included.

The money will come from the athletic fund-physical facilities account and will not involve tax money.

TOP CONTENDER. Southern Illinois University-Southwestern wrestler Jan Gitcho, left, accepts congratulations from wrestling coach Larry Kristoff for an outstanding dual meet season. Gitcho, who is the number one contender for a college division championship at 126 pounds, has won 20 of 22 dual meets this year.

Gitcho Top Contender For NCAA Mat Crown

With an impressive list of victories behind him, Jan Gitcho, Southern Illinois University-Southwestern's contender for a national wrestling championship is not resting on his laurels. He and his Cougar teammates are 8-1.

Wrestling in the 126-pound weight class, Gitcho has a 20-2 record this season. Both losses were to defending university division champion Yoshie Fujita of Oklahoma State.

"If things go right I should be able to get the job done," said Gitcho, with reference to winning the NCAA college division championship of the year held at Oswego, N. Y. The first week of March.

Inserting a hedge on his prediction, Gitcho explained, "However, you never know about wrestling because so many things can go wrong at the finals. I don't get cocky until the match is over and I've won."

Cocky Season
Gitcho has a lot to be cocky about this season. He has already defeated the defending NCAA college division champion, the defending NCAA university division finalist and finished ahead of university division national contenders at an open tournament held in Chicago last December.

Wrestling Coach Larry Kristoff adamantly claims Gitcho will be seeded number one in his weight class at the national tourney. If he succeeds in finishing in the top four, then he is eligible for the university division tournament and possibly another bout with Fujita.

"Jan has tremendous ability. He has good balance and is very quick," Kristoff says, "and has everything going for him this year."

Following an outstanding senior season at Granite City High School where he won 38 of 37 matches, Gitcho entered Southern Illinois University at Carbondale, but transferred here after his sophomore year.

Easy Going Style
"I met Coach Kristoff, liked his easy going style and decided to come here," Gitcho said. After sitting out a year, Gitcho returned to the mat last season and lost in the nationals when he cut his weight to wrestle in the 118-pound class.

"I cut too much and just did not there," he said. "I was just as if I'd never been in shape. When you lose weight in wrestling it saps your strength, endurance and stamina, and you don't know where you're most efficient," Gitcho said.

What he considered a bad mistake last year has not been repeated this season. "I've wrestled only at 126 pounds this year and the only hang-up I've had is staying in shape. This is my last chance and I have to really work hard to be in shape for the tournament."

After the final two dual meets against Northeast Missouri State and Eastern Illinois University, Gitcho will have a two-week layoff prior to the national tourney.

Work Doubly Hard
"Because the nationals are eight-minute matches instead of the regular six-minute duals, I'll have to work doubly hard to compensate for the lay-off and extra two minutes on the mat," he explained.

Gitcho intends to prepare for the tournament similar to dual meets by wrestling in heavier weight classes in practice. "Last year I pampered myself and was afraid of wrestling guys bigger than me for fear of get-

ting hurt. I decided not to do that this season."

"Therefore, I'm used to holding on to guys bigger than me so once I get a little guy on the mat it is much easier to hold onto him," he said.

By retaining his hold the end result is "riding time" points, which are points a wrestler can earn for not allowing his opponent to escape his hold.

"I've always been real strong on takedowns but this year the ring time has helped so I feel equally strong in most facets of my performance," he said.

Does he want to pursue wrestling after his college career ends? "I'm not sure because I don't know a whole lot about it yet. I do know that wrestling free style you only get points for wrestling because he's been my strong point, so I'll definitely consider trying out," he said.

Dr. Stanley Maer Attends Annual Meet

Dr. Stanley F. Maer, Granite City optometrist, has returned from Kansas City where he attended the annual congress of the Heart of America Contact Lens Association.

The Association is composed of Contact Lens Specialists from six midwestern states. The new "soft" contact lens was the main topic discussed by lecturers from leading Universities and Research Investigators from the United States and Germany.

The consensus of opinion of these experts was that although the new lens exhibits great promise due to the comfort it provides, extreme caution should be taken because of the many problems concerning contamination of the eye by the porous material, the fragility of the lens, and the fact that difficulty exists in providing good vision through the lens available at the present time.

Dr. Maer who has served as a director of the Contact Lens Association suggested persons considering the use of the new lens wait until sufficient time has been given to develop different methods of sterilization, improved durability of the materials used, and the ability to provide good visual acuity.

"A competent practitioner can fit approximately 90 to 95% of those desiring to wear contact lenses with the soft lens being used at the present time," according to Dr. Maer. The big difference is the instant comfort of the soft lens, while the solid lens required a longer adaptation period, he said.

Damage to Car, Home May Be Deductible

Damage to a car, home, or other non-business property may qualify as a deduction on Federal income tax returns, Jay G. Philpott, District Director of Internal Revenue for Central and Southern Illinois, reports.

Tax deductions may usually be taken when the damage to non-business property occurs from a natural disaster such as a fire, flood, storm or hurricane. Losses from theft may also be deducted. However, losses resulting from such causes as rust, erosion, termites, etc., are not deductible.

Mr. Philpott said the distinction between a deductible and a non-deductible casualty rests on whether the event causing damage to the property was sudden or unexpected. Damage to a home from a fire or flood is deductible because the event was sudden or unexpected whereas damage from termites or settling due to erosion is not deductible since it occurs over a long period of time.

Mr. Philpott said that on real property held for personal use, the amount of the loss is either the adjusted basis of the property or the decrease in its fair market value — whichever is lower. On personal property, the cost or the decrease in fair market value, whichever is lower, is the amount of the loss. If the loss is covered by insurance, this compensation should be subtracted from the amount which may be deducted.

Amsted Buys Virginia Pipe, Foundry Co.

Acquisition of the business of Glamorgan Pipe and Foundry Co., Lynchburg, Virginia, by Chicago-based AMSTED Industries, has been completed.

Announcement of the transaction for a cash purchase price of slightly less than \$8 million was made by Joseph B. Lanterman, AMSTED's chairman.

Glamorgan's sales during 1971 were about \$25 million. Its 185,000 square foot plant facilities cover a nine-acre site in Lynchburg, producing ductile and cast iron pressure pipe, soil pipe, fittings for those product lines, and plastic pipe for water transmission. It employs nearly 600 persons.

AMSTED is a widely diversified manufacturer whose products serve many general industrial purposes, as well as the construction and railroad industries. The company's operations currently encompass 35 plants in 17 states and Canada.

AMSTED's earnings in the fiscal year ended Sept. 30, 1971, were \$9,400,000, or \$3.41 per share, on sales of \$276,600,000.

Tickets Being Sold for YMCA Dinner Feb. 29

The Tri-City Area YMCA has completed plans to celebrate the 54th anniversary of its incorporation at its annual dinner meeting Tuesday, Feb. 29, at 7 p.m. at the YMCA auditorium.

Guest speaker this year will be Joseph H. Goldenherch, a justice of the Supreme Court of Illinois.

Judge Goldenherch practiced law in East St. Louis from February 1938 until becoming a judge of the Appellate Court in December 1964.

He served on the Appellate Court until Dec. 7, 1970, when he was named to the Supreme Court.

Other business to be conducted at the meeting includes presentation of a plaque to outgoing President Irvin C. Slate Jr., and recognition of Betty Harmon for five years service with the "Y" working with women's fitness program. Volunteer leaders will be recognized and new members of the board of directors will be introduced.

Tickets are available at the YMCA at \$4 for adults and \$2.50 for ages 22 and under.

Lincoln Quartet to Perform for Students

The Lincoln Quartet of Southern Illinois University-Southwestern will perform for students in the humanities program Thursday at Dunbar and Louis Baer School in Madison.

The string instrumental group will provide programs for students in grades four through eight at 9:15 a.m. at Dunbar and for grades four through six at 10:30 a.m. at Louis Baer.

The quartet will perform for kindergarten through sixth grade students at Venice School at 1:30 p.m.

Members of the group are John Kendall and Kent Perry, violins; Robert Schieber, viola; and Joseph Philpott, cello. They are SIU-SW teachers who currently are appearing throughout the Midwest.

The program is being sponsored through the Madison humanities program and the Venice-Madison Fine Arts Committee. Willie Walker, teacher at Lincoln Technical School, is chairman of the committee, and Mrs. Margaret Connole is director of the humanities program.

January Canal Freight 2.9 Million Tons

Freight tonnage shipped through the Chain of Rocks Locks and Canal during January gave 1972 an edge over 1971 with 2,993,189 tons, compared with 2,453,321 in January 1971.

The January tonnage decreased sharply, however, from December 1971, when 3,494,178 tons were shipped through the canal.

Sales Tax Deductions Listed in Tables

The amount Springfield District taxpayers can deduct for sales tax on Federal tax returns appear in tables printed in the 1940 tax instructions.

Jay G. Philpott, district director of Internal Revenue for Central and Southern Illinois, said the tables show the sales tax deduction by family size and income.

The table is based on consumer spending patterns and shows the average sales tax paid by Illinois residents, he said.

The sales tax on automobiles, boats, trailers, and airplanes is not included in the table. The table is furnished as a guide for the convenience of taxpayers who do not keep detailed records of payments.

Taxpayers who prefer to deduct the actual amount of state sales taxes paid during the year should have records as proof of payment, Mr. Philpott said.

tonnage shipped through the canal. The shipments last month were the smallest since February 1971 when shipments totaled 2,575,310 tons.

Movement of all types of vessels decreased last month compared to December, with tow boats down from 908 to 869, the number of barges declining from 3,854 to 3,435, passenger boats from one to zero, private recreation boats from 28 to four, government barges from six to two, government construction boats from two to zero and patrol boats from 10 to four.

In January 1971, lockages included 687 tow boats, 2,895 barges, one private recreation boat, nine government tow boats, 15 government barges and 10 patrol boats.

The 4,314 vessels, logged in January were less than the 4,909 in December 1971, but showed an increase from the 3,617 in January 1971.

Lockages last month totaled 434, exactly the same as in January 1971, but less than the 869 in December.

Total commercial tonnage moving upriver in January was

1,305,789 tons and 1,687,400 tons moved downriver. Freight shipments included: petroleum products, 483,875 tons upriver, 219,250 tons downriver; grain, 27,200 up, 1,288,280 down; coal, 118,814 up, 10,950 down; cement, sand and gravel, 16,050 up, 36,500 down; miscellaneous commodities, 286,450 up, 52,700 down; iron and steel products 51,100 up, 52,700 down; iron and steel products 51,100 up, 46,850 down and chemicals, 310,300 up, 30,800 down.

"Helen, you didn't tell me you re-decorated!"

Between us girls, I didn't.

It certainly looks that way. But it's all done with lighting.
I got a "lighting prescription" from the Home Economist at Illinois Power.
It's worked wonders!
The front entrance hall used to be cold, uninviting. A change in lighting makes it warm and gracious.
The stairway was dark and dangerous. A good lighting idea solved that problem.
In the living room, we had several lamps but no place to read comfortably.

A few changes in lighting not only make reading a pleasure but make the whole room look like new. Valance lights and a fluorescent shelf light were two marvelous ideas, for instance.
The "lighting prescription" is a service that's available to any Illinois Power customer. It's a beautiful way to help make your home safer, more functional — and more attractive. Just call your Home Economist or Sales Representative at Illinois Power Company.

Wrestling Warriors Take Sectional, Five to Compete in State Tournament

Five Granite City High School wrestlers overcame the rigors of sectional competition here Friday and Saturday and advanced to the state finals as the local Warriors picked up their 18th sectional victory in 19 years.

In the 22 years Coach Bill "Red" Schmitt has coached the matmen, they have lost only two sectionals, in 1953 and last year.

Kevin Niebur (126), Doug Wilson (132) and Jack Schooley (167), earned championships and Harry Miller (112) and Craig Stephens (heavyweight) were runners-up. They will compete Friday and Saturday at Illinois State University.

The Warriors compiled 74 points while East St. Louis Lincoln took second with 50, Belleville East was third with 42 points and Springfield Southeast, the defending champion, was fourth with 29½ points.

Other team scores were: East St. Louis 25, Cahokia 24½, Carbondale 22, Decatur Eisenhower 22, Jacksonville 20, Lincoln 18, Centralia 15, Springfield 15, Decatur Lakeview 11, Belleville West 10, Edwardsville 8.

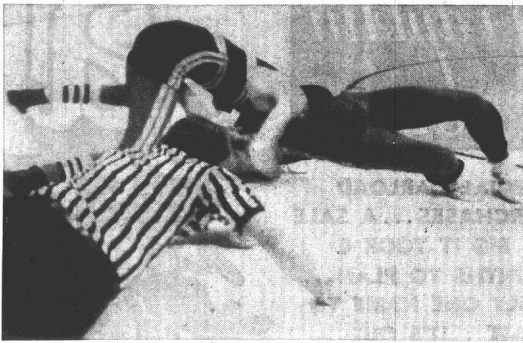

Stephen Decatur and Springfield Lanphier 7, Decatur MacArthur 6½, Hillsboro and Lawrenceville 3 and Mascoutah, Mount Zion and Quincy Catholic Boys 1.

Nine teams were scoreless in the competition. They were Bethalto, Mattson, Mount Olive, Mount Pulaski, O'Fallon, Quincy, Shelbyville, Warrensburg and Wood River.

Champions, Runners-Up

The Warriors and Lincoln led in the number of champions with three each but Lincoln had only one runner-up. Belleville East followed with two champions and two runners-up and East St. Louis, Eisenhower, and Roxana each produced one champion.

Cahokia and Southeast each had two runners-up qualify for

SECTIONAL ACTION in the Granite City High School gym Friday and Saturday included this match in which Warrior Kerry Johnson, on top, pinned Jack Fortado of Jacksonville in 5:38 of the first round. Johnson advanced to third place in the 119-pound class and is an alternate to the state finals. The referee is Wayne Dannelhof of Champaign.

the state finals, and Belleville West, Jacksonville and Carbondale followed with one each.

Eight of the 12 champions in the competition were from the Wood River District Tournament.

Niebur earned his crown by pinning his Mount Zion opponent in 5:44 and earning 9-3 and 5-4 decisions over Carbondale and Jacksonville. Wilson downed Cahokia 21-3 in the fourth round, pinned Southeast in 5:44 and in the finals earned a 4-5 decision over Carbondale.

Schooley downed Southeast 5-4, pinned Lakeview in 3:35 and earned a 7-6 overtime decision over Belleville East.

Miller lost in the first round to Bill Loos of Belleville East who went on to take the title. Miller had to fight back by downing Mount Zion in 4:43, earning a 2-0 decision over Lawrenceville and defeating Brock Kamp of Roxana 11-6 in a reverse match. Kamp defeated Miller in the championship round of the district meet the week before.

Stephens fought past Centralia and Southeast with pins in 3:34 and five minutes, but fell to Jim Rush of Lincoln 9-1. Rush lost to Stephens by a fall in the district tournament. Stephens then pinned his Lakeview opponent in 3:33 for his second place.

Kerry Johnson (119) earned a third place alternate slot by pinning Jacksonville in 5:38, downing Centralia 7-5, losing to Kevin Jones of Lincoln 6-2 and falling to Southeast 2-0 in the last round. Johnson defeated Jones in the districts but was unable to repeat his performance.

Other Warriors and their

records in the sectionals were: Phil Lapinski (98), fourth, defeated Southeast 4-1, lost to Cahokia 8-4, defeated Stephen Decatur 4-1 and lost to Carbondale on a 4-4 overtime referee's decision; and Charlie Mayfield (135), lost to Southeast 5-9, lost to Carbondale 8-2.

Ankle Injured

Tom Kalert (185) was pegged as a favorite in his weight class but injured his right ankle in the second round match and had to forfeit all subsequent matches. Kalert outpointed his Mattson opponent 20-2 in the first round but was injured early in the second round. He finished the match losing 7-0, due to the injury.

The five Warriors remaining in the state races will travel to the state finals starting at 1 p.m. Friday. The second session is set for 7:30 p.m. Friday with competition resuming at 1 p.m. Saturday. Third, fourth and fifth place matches will begin at 6 p.m. Saturday, followed by the championship rounds at about 7:30 p.m.

Granite City PRESS-RECORD Mon., Feb. 21, 1972 Page 9

Hockey Team Blanks Valley

In a lopsided hockey match at Wilson Park rink Saturday, the Granite City Bantams blanked the Valley Hockey Club bantams of St. Louis 9-0.

Rick Hodge of Granite City tallied four goals and one assist to lead the local squad. Others scoring were Bryan Bunjan, two goals and one assist; Jim Warchol, one goal and an assist; and one goal by Mike Niconovich and Erik Klein.

Assists also were recorded by Mike Whaley, two, Joe Hasler, Tom Sherie and Dave Rapoff.

The goal for Granite City were Steve Dioneda and Arthur Haterly. Three goals were scored against the opposition in each of the three periods.

The local team will meet Webster Groves Bantams there at 5:45 p.m. Tuesday.

Venice Wins Cage Tourney

The Venice Grade School basketball team won the Colinsville Invitational tourney as they demolished Edwardsville Friday 70-47.

Earning their way to the championship last week the cagers downed Alton 53-30; Colinsville North 71-42; and Edwardsville 70-47.

Under the leadership of Coach Bill Jones, the team finished the season with a 2-3 record.

On the team are James Crowder, Reggie Gardner, Richard Bailey, James Turner, Bobbie Killian, Howard Thorpe, Jack Ballentine, Jason Milton, Jerry Corrie, Harvey Logan and Larrick Arnold.

The team managers are Robert McKinney, James Young and James Genterman. Scorekeepers for the season were Carolyn Richmond and Deborah McClelland.

Autos in Accident

Autos driven by Larry Hall, 2906 Victory Drive, and T. C. Piroender, 2708 Harvey Place, were in an accident at 8:15 p.m. Thursday at the entrance of the Belmore Village shopping center.

Marquette, the Devils led in every quarter 22-9, 33-28, and 59-15.

Venice led in field goals 31-21, but from the charity stripe Marquette out-did the Devils 17-11. The Devils committed 16 personal fouls and Alton 14.

Mar was the Venice high point man with 27, closely followed by Orlendorf with 25.

Others scoring for Venice were Smith 10, Henry 5, Mosby 4 and Severs 2.

Venice will play at 7:30 p.m. today in the Columbia Class A Regional Tournament.

Warrior Cagers Win Share Of Conference Crown by Defeating Alton by 74-65

The Granite City High School basketball Warriors latched onto a share of the Southwest Conference title Friday by defeating Alton 74-65.

It is the first time since 1949 they have had their hands on a part of the conference crown. They added icing to the cake by tripping Belleville Althoff 57-53 Saturday night.

The Warriors were behind 15-10 at the end of the first quarter at Alton but by half time it was tied at 31-31. In the third quarter the Warriors outscored Alton 24-13 for a 45-44 lead.

Joe Wallace, who usually

feeds top scorer Terry Ripka,

brooks the back of the Red

Birds as he sank five straight

30-foot shots in the third quarter, and the Warriors took over

the lead with 5:31 left.

Ripka High

Ripka was high point man for

the Warriors with 21.

The Warriors tagged 26 field

goals of 46 attempts for a 57½

average from the floor. Alton's

Red Birds had 16 turnovers and

the Warriors 13. GCHS tallied

22 charity tosses as Alton

rucked up 15.

Other Warriors contributing

points to the conference title

were Kevin Dyer 12, Tom

Vrenick 8, Bob Wiggins 9,

Chuck Kraus 3 and Rick

Prehn 2.

"Dyer, who is only 6'3", took

very good care of Alton's 6'8"

inside post man Harrison, and

this was a real factor in our

victory," Coach Don Deterding

said.

Granite City tied Belleville

West with a 6-4 conference record.

Alton and Edwardsville tied

for third with 5-5.

Althoff Game

Althoff had a first quarter

lead of 17-15 Saturday night,

but the Warriors came back to

take the lead at the half 30-27

and increased it in the third

quarter to 45-30.

GCHS bucketed 23 field goals

in 55 attempts for 42½ while

Althoff hit 22 from the floor.

The Warriors made 11 free

throws in 22 attempts and

Belleville also tagged 11 from

the charity line. It was Granite

City all the way on the backboards, 36-27.

Ripka hurt his ankle in Friday's Alton game and did not

play against Althoff. He will be ready for the Feb. 29 regional contest.

Dyer with 16 points was the

Warrior's high man, followed by Wallace and Vrenick with 13,

Wiggins 9, Kraus 3 and Prehn 2.

"Although our shooting was

poor, the team played an excellent defensive game. This

was the first game in two years without Terry (Ripka) and I certainly don't want to

play anything from him, but the victory proved to the rest

of the team they are good basketball players in their own

right," Deterding commented.

The Warriors are now 16-6 overall and have their final

game of the season at Cahokia at 8:30 p.m. Friday.

STATE QUALIFIER Harry Miller of Granite City High School, head to mat, found the going rough as he met Bill Loos of Belleville East in the first round of competition of the sectional tournament here Friday, losing 2-1. Miller went on for a second place in the two-day competition and will compete in the state finals Friday and Saturday. The referee is Vernon Adams of Illinois State University.

A doctor who operates on himself has a fool for a patient.

It's an old saying, but it's never made more sense. There are some jobs in life that you just don't tackle by yourself. The preparation of your income tax should be one of them.

And that's where H & R Block, The Income Tax People, come in. H & R Block is America's largest tax service with more than 6,000 conveniently located offices to serve you. Your H & R Block representative is specially trained and can provide information on legitimate income tax benefits and opportunities that the average man on the street doesn't even know exists.

For instance, do you know all about deductions for child care or casualty losses? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging"? And even if you did, would you know how to go about "income averaging" to begin with? Probably not. And there's no reason why you should. After all, you're an amateur when it comes to doing income tax.

H & R Block's charges start at \$25 and last year averaged under \$150 for over 7 million returns we prepared. And, if we make any error in the preparation of your tax return that costs you any interest or penalty on additional taxes due, while we do not assume the liability for the additional taxes, we will pay that interest and penalty.

Our one time fee entitles you to year round tax service and assistance.

Come to the company that more than 7 million Americans placed their confidence in last year. Come to the people who will fill out your next income tax return efficiently, quickly, confidentially. Come to H & R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

R.G. Wooley Convicted On U.S. Tax Charges

Richard G. Wooley, 45, Godfrey, plant manager for Ferro Processing Corp. was found guilty Friday of income tax evasion for the years 1964 through 1966, in the United States District Court in Springfield.

Wooley was tried on an indictment returned April 7, 1971, charging that Wooley reported joint taxable income for the three years in the amount of \$20,224.99, when the correct taxable income totaled \$60,211.14.

For these years Wooley reported and paid taxes of \$3,490.81, when the corrected tax due totaled \$13,771.27, the court held.

Judge Ormer Poos delayed sentencing pending post trial motions set for hearing March 15.

8 Area Couples Granted Divorces

Eight area couples have obtained decrees in Madison County Circuit Court.

In a previous case, Mrs. Doris Welch of Granite City obtained custody of two of three children, with Myrl Welch, the father, to pay child support of \$200 per month. He obtained custody of the third child.

Granted divorces were:
Leonard Prothro from Carol Yvonne Prothro, both of Venice. They were married in January 1963 in Chicago and separated in August 1971. Mental cruelty was charged. Custody of five children was given to the mother.

Kathleen Winters from Delbert Winters, both of Granite City. They were married Dec. 14, 1970, in St. Clair County, and separated the same month. Custody of one child was given to the mother, and the father was ordered to pay child support of \$15 per week.

Peggy Ellen Young from Charles James Young, both of Granite City. They were married Oct. 25, 1969, in Paducah, Ky., and separated Feb. 1, 1972. Mental cruelty was charged. Her maiden name of Peggy Ellen King was restored.

Johanna M. Schmitt from Carlyle A. Schmitt, both of Granite City. They were married June 17, 1965, in Las Vegas, Nev., and separated Jan. 25, 1972. Mental cruelty was charged.

Donna M. Hillmer from Raymond D. Hillmer, both of Granite City. They were married Feb. 5, 1966, and separated in October 1971. Mental cruelty was charged. Custody of one child was given to the mother.

Joyce Ann Davis from Kenneth James Davis, both of Granite City. They were married June 20, 1964, in Granite City, and separated April 1, 1971. Mental cruelty was charged. Custody of five children was given to the mother.

Karen Adams from Jack Adams Jr., both of Granite City. They were married June 18, 1969, in East St. Louis and separated in June 1971. Mental cruelty was charged. Custody of one child was obtained by the mother, and the father is to pay child support of \$200 per month.

The Schermer Bulletin...

Spring may not be here, but on the other hand it can't be far away. Last week the first onion sets of the year arrived in our Garden Shop. And people were looking for them, too! Yellow, red and white onion sets, 1972!!! All of our new seed is also on display and you'll be surprised at the number of people who have "hot beds" started.

It was a big week at Schermer's. Among the "big" sale items were 25-cent fryers and 30-cent sliced bacon. People still know "value" and the response was really great. This week starts the beginning of another great Schermer promotion. Today's ad has a quarter page about it, so look it over carefully and when you come in, look at this deal. Beautiful merchandise and a "fraction" of the real price. We hope you like it.

Several sections of our store have been revamped. The detergent section has been rearranged to give more room for "fast" moving items, and the dog food section has been improved to give room to the many new varieties that have appeared recently. New items. That's the pressing problem today in our store. Where to put them? We always seem to find a place, somehow.

To Start Cookie Sale; Plan Girl Scout Week

The sale of Girl Scout Cookies started Friday and will continue through Feb. 28, with Girl Scouts taking orders as they canvass the residential neighborhoods. Delivery of the cookies will be made April 10 to 21.

Preparations also are being made for the observance of Girl Scout Week March 12-18. This year will mark the 60th anniversary of Girl Scouts of the U.S.A. and the 10th anniversary of River Bluffs Girl Scout Council.

Plans for the week include all scouts attending church on March 12 and wearing their uniform Monday, March 13, which is Uniform Day.

Each troop is encouraged to have members make a yellow trefail to be placed in the window of the scouts home.

Debby Skalsky Chosen As JA Queen Finalist

Debby Skalsky, daughter of Mr. and Mrs. Harold Skalsky, 1725 Olive St., is one of five finalists for Miss Junior Achievement of Mississippi Valley.

The 22nd annual JA coronation ball will be held Friday at Stouffer's Riverfront Inn, St. Louis.

A sophomore at Granite City High School, she is a member of JA "Liberty" company sponsored by A. O. Smith Corp. It produces flag poles for sale to the public. She competed with 270 representatives from JA companies throughout the region to reach the finalist category.

Members of Liberty meet weekly at the Granite City JA

Business Center, 3307 Wabash Ave. It is one of 16 JA teenage corporations operating here this year.

More than 1,200 Achievers will attend this year's ball, and the highlight will be the crowning. The purpose of the ball is to give high school students in Junior Achievement one social event during the program year.

Almost every high school will be represented at the event.

The regional JA program has 7,000 sophomores, juniors and seniors participating this year.

Junior Achievers organize and operate their own miniature corporations for 30 weeks during the school year to gain a better understanding of the private enterprise system of business.

George Nelson, 58, Ill 2 Weeks, Dies

George M. Nelson, 58, of 3101 Fehling Road, supervisor for the Pepsi Cola Co. for 20 years before retiring, died at 10:33 a.m. Thursday at St. Elizabeth Hospital. He had been a patient in the hospital two weeks.

A native of Chicago, Mr. Nelson made his home there until eight years ago when he moved to this area.

He was a member of the Legion of Men, a Catholic men's organization.

Surviving are his wife, Mrs. Irene H. Nelson; two daughters, Mrs. Michael (Mary Ann) Jeffries and Miss Janet Gush-left, both of Granite City; one sister, Mrs. Anthony (Marie)

Parked Auto Looted

Marilyn Price, 2224 Bern Ave., reported at 4:30 p.m. Thursday that a \$15 attaché case containing important papers and a man's brown corduroy coat valued at \$25 was stolen from her auto while it was parked at 400 Edwards St.

Two Autos Collide

Davis driven by Bill C. Curtis, 2333 Delta Ave., and Randall F. Shrum, 4111 Alton Ave., collided at 6:55 p.m. Thursday at Nameoki Road and Pershing Blvd.

Lombardi of Studio City, Calif., and three grandchildren.

Private services were held Saturday. Details are given in the obituary column.

Election, Job Program Topics of County Board

A multitude of business topics filled last week's February meeting of the Madison County Board of Supervisors, a 48-member body which is to be replaced by a 29-member board in an April election.

Among other actions, the outgoing board:

Discussed potential complaints that write-in candidates at the county board primary election will be placed on the April 4 ballot, though they had not filed petitions nor undergone campaign expenses. Robert Ford of Wood River called it "unfair" to legitimate candidates who now will face opposition on the ballot and undertake additional time and expenses.

Ford asked how the election process would be handled in a case where nine names were given one vote on a write-in basis. Attorney Marshall Smith said he long ago obtained from the Department of Public Health, the Department of Financial Institutions, the Commerce Commission and the Department of Agriculture.

Public representatives will be appointed by the Governor.

"The Council will meet at least once a month," Simon said. "It will hold regular hearings throughout the state."

Simon Outlines Plan for Consumer Protection

Elmhurst—Lieutenant Governor Paul Simon on Thursday afternoon outlined plans for a Consumer Protection Council which he will create if he is elected governor.

Simon said his council will not be a new agency. "Illinois already has enough agencies. We need a means for regular interchange among the agencies directly involved with protecting the consumer, to make them more sensitive to the public need, rather than the industries they serve. We need a forum where consumers know they will be heard."

Simon's proposed council will be chaired by Lieutenant Governor Neil Hartigan. Also represented on the council will be the Attorney General's Consumer Protection Division, the State's Attorneys' Association, the Department of Insurance, the Department of Public Health, the Department of Financial Institutions, the Commerce Commission and the Department of Agriculture.

Public representatives will be appointed by the Governor.

"The Council will meet at least once a month," Simon said. "It will hold regular hearings throughout the state."

"Besides permitting exchange of information, the council will initiate legislation, recommend changes in regulations, and help these agencies come out from behind their paperwork to become more sensitive to public need.

Ten years ago, Attorney General William Clark pioneered in consumer protection before the various consumer groups had ever been heard of. It is time to pioneer again, Simon said.

Better Business Bureaus and state and federal consumer agencies estimate identifiable fraud in the United States at more than \$3 billion per year.

"A number of factors, including better educated consumers, a loss of the personal relationship the consumer once felt at the corner market, greater visibility of the low-income consumer, and the diligence of various consumer groups have all contributed to more awareness on the part of consumers.

Improved protection will do more than protect consumers from poor products and badly intended businessmen. It will protect the honest businessman and quality craftsman as well, by contributing to greater confidence in the marketplace."

Motsegood on General Electric Engineer Staff

George N. Motsegood, Granite City, a 1971 mechanical engineering graduate from the University of Missouri-Rolla, has accepted a field engineering position with General Electric's Installation and Service Engineering Department (I&SE).

Motsegood, who is attending a three-week basic course in Schenectady, will receive further training in I&SE's Field Engineering Development Center and in the field.

Headquartered in Schenectady, N.Y., I&SE has a team of more than 2,600 field service engineers in more than 85 U.S. cities.

The department offers the technical assistance for installation, adjustment, testing, start-up and a full range of management, planning and engineering services on GE mechanical, nuclear, electrical and electronic equipment, as supplied to defense, industry and utility customers.

The son of Mrs. Dorothy Motsegood, Rural Route One, Baldwin, Ill., resides at 2435 Brian Ave., Granite City.

He is a member of Triangle Fraternity, Alpha Phi Omega, Society of Automotive Engineers and American Society of Mechanical Engineers. Prior to joining General Electric, he was employed by Granite City Steel Co. and the U.S. Army Materiel Command.

Two Men Arrested After Fight Reported

Two men were arrested at 6 p.m. Thursday after police were called on a report of a fight at 4407 Kirkpatrick Homes.

Charged were Donald R. Carney, 30, of 4407 Kirkpatrick Homes, with disorderly conduct, intoxication and criminal damage to property, pulling a microphone off of a taxicab radio, and Robert L. Baker, 42, of 726 Twenty-seventh Place, with disorderly conduct and intoxication.

Baker also was charged with leaving the scene of an accident which occurred Dec. 31 on Circle Drive.

Apartment Burglarized

Jo Henr, 1240 Twenty-second St., reported at 8:30 a.m. Friday that a grandfather clock valued at \$150, her purse containing \$100 and a checkbook and some clothing were stolen in a burglary while she was asleep during the night. Entry was gained by prying a front window and screen.

GC Business Women Hear About Pakistan

Religious mores dominate the entire social and economic structure of life in Pakistan. However, cultural changes are taking place. Eddie H. Agha, a foreign exchange student, told the Granite City Business and Professional Women's Club.

Speaking at the business women's annual "World Affairs" dinner last week at Charlie's Restaurant, Agha compared the gradual changes in culture and traditions as noted in different sections of the United States with the sharp division of customs and religious practices, basically Hindu and Moslem, that abruptly differ at the border lines.

A native of Karachi, Pakistan, the guest speaker holds a bachelor degree in science from the University of Karachi. He is in his senior year of study at Southern Illinois University-Southwestern campus.

Iran, Hong Kong

Agha was assisted in presenting the world affairs program by two other foreign exchange students—Miss Sima Yamin of Iran and Miss Weisse Lan of Hong Kong. Both young women are studying at SIU-SW.

Commenting about educational conditions in his home country, Agha said that children from the more affluent families have a much greater chance for a "good" education... but only few can afford it. He noted that many private schools are in existence in Pakistan and few government supported schools.

During his years in the primary grades, Agha attended co-educational schools, later transferring to an all-male school at the higher grade level.

Strive for Education

"More and more people are striving for an education and are willing to accept many hardships and a lower economic life to send their children to institutions of learning," the Pakistani student said.

Most women gaining an education are employed as secretaries, only a few are accepted for executive or semi-executive positions.

Salaries are very low in Paki-

stan and the need for more money steers many individuals into corruption of various forms, including discrimination over which students are permitted to successfully complete examinations and attain a college degree.

Once an education has been obtained, the individual may not accept "just any type of employment," Agha said. Certainly not a menial job which would place a person with less education from the spot.

No Equal Pay

Both in Pakistan and in Hong Kong, women with an equal education and holding the same position as a man fail to receive the same pay, the students said.

In Iran, however, equal salaries are paid both men and women, Miss Yamin noted.

JAYCEE'S AID OFFICER

FRIENDLY SAFETY PLAN

Jaycees met at the home of Mrs. Pat Alesan, 2816 Dogwood Drive. Officers present were Mrs. Janet Partney, chair-

man, Mrs. Helen Kefalas, secretary, and Mrs. Ann Davis, treasurer.

Granite City Police Officer Roy Koberna was a guest, and the club spent the evening binding safety coloring books which are distributed by Koberna and other members of the "Officer Friendly" project.

Mrs. Cheryl Gann will serve as chairman of the annual homecoming in June. She also was chosen as chairman of the March dinner meeting to be held at Charlie's. Guest speaker will be Officer Koberna, who will talk on "Officer Friendly."

The immunization clinic chairman, Mrs. Aleman, announced that Mrs. Partney and Mrs. Gann will serve at the March 4 clinic at the Tri-Cor Medical Building.

Refreshments were served and the hostess presented a home-made article to Mrs. Janis Weible.

In Pakistan, English is taught as the first language in private institutions and as a second language in the public schools.

English still remains the official language of the country. Agha said, although the national language is "Urdu."

Polio has been followed in Pakistan, Agha said. About 40 percent of the electorate now turns out to vote and the percentage is increasing at each election.

Until recently, marriages were arranged at a young age by the parents of a couple. This tradition has changed and the young Pakistanis now are beginning to date, he said.

An electronics major at SIU-SW, Agha said he hopes to gain employment here upon graduation and send financial aid to

VALENTINE PARTY OF

BROWNIE TROOP 159

Brownies of Troop 159, sponsored by the Nameoki PTA, held a valentine party during their weekly meeting last week at Nameoki United Methodist Church.

Refreshments of valentine cookies and punch, provided by leader, Mrs. Mary Burch, and co-leaders, Mrs. Angie Kefalas, Mrs. Peggy Hundley and Mrs. Ruth Ochoa, were served at tables decorated with valentine items.

The girls practiced for a drill team presentation they will give at the March 21 PTA meeting in observance of Girl Scout Month. Miss Patti Tester is in charge of drilling the Brownies.

Officers serving the troop during the month are: president, Elaine Ozanich; vice-president, Peggy Simmer; secretary, Deanna Christoff; treasurer, Susan Collins; and scribe, Mary Kefalas.

Valentine note pads were made as gifts for their mothers, and future projects will include decorated Brownie "bunny boxes" for distribution before Easter.

The leaders announced that a monthly uniformed inspection will be held at the next meeting.

Other scouts present were Julie Bunch, Tracy Basden, Karen Collins, Ann Dressel, Lori Fyalka, Dawn Haggerty, Debbie Humily, Sharon Jackson, Diane Kwiatkowski, Tammy Leggett, Jo Ann Ochoa, Mary Melvov, Shelly Pulman, Beverly Tester, Lisa White, Lori White, Katie Talbert and a future Brownie, Nikki Barr.

VALENTINE MEETING

OF HOSTESS CLUB

Mrs. Jo Anne Huelskotter, 1612 Ferguson Ave., entertained her hostess club, greeting Mesdames Carol Davis, Dorothy Hochuli, Marian Sipole, Helen Johnson, Emmeadella Zotti, Betty Davis and Helen Johnson; each presented her with gifts.

Games were played and prizes were awarded. The evening's prize was won by Mrs. Hochuli. A valentine motif was used for the table decorations, and favors were heart-shaped boxes of candy.

Mrs. Zotti invited the club to her home, 4130 Braden Ave., for the March meeting.

FEBRUARY GATHERING OF

NURSE ALUMNAE GROUP

Sister Marce opened the February meeting of the St. Elizabeth Hospital Nurses' Alumnae Association with prayer and presided during the business meeting, held at the Venice Recreation Center.

Guests welcomed and introduced were Mrs. Margaret Aronovitz, Mrs. Marie King and Mrs. Cheryl Carson.

A social hour included games and prizes. Refreshments were served by the chairman, Mrs. Bertha Pace, and Mrs. Ann Klarich, Mrs. Ruth Novach and Frances Robbers.

Others attending were Sister Mary Michael, Sister Jerome and Mesdames Margarette Fichte, Josephine Cervinski, Catherine Delaloye, Mary Sauks, Marietta Daniels, Clarkie, Alberta Ronney, Roberta Gerke, Edna Wallace, Jeanne Lucido, Maxine Carson and Ann Klarich.

The next meeting will be March 21 at the Venice Recreation Center.

LAKE SCHOOL PTA

TO MEET TONIGHT

Lake School PTA will conduct its monthly meeting at 7:30 p.m. today at the school, according to an announcement by Frank Arbeiter, PTA president.

Entertainment will be provided by the Salem School of Dance. Refreshments will be served and prizes will be awarded. A discussion will be held on the school's "Spring Carnival," tentatively set for Friday, May 12.

MRS. MILLER HOSTESS

TO LADIES COTERIE

Mrs. B. S. Miller served luncheon to 21 members of the Ladies Coterie Thursday afternoon in her home, 3239 Princeton Drive.

Mrs. Walter Johnson, president, conducted the business meeting and Mrs. James Fox gave the club collect. Mrs. David Friedman led the pledge of allegiance.

The Lord's Prayer was offered by Mrs. E. J. Griffith to close the session and a silent auction followed.

The Coterie will next meet March 9 at the First United Presbyterian Church, with Mrs. A. C. Stoeber as hostess.

MARYVILLE SCHOOL PTA

TO VIEW TALENT SHOW

A talent show by students from the first through sixth grades at Maryville School will provide the program at a meeting of the Maryville PTA at 7 p.m. Tuesday at the school.

The show will include a piano solo by first grade pupil, Lisa Teller, together with quartets, plays and vocal and instrumental solos.

Norman Hall, president, will preside at the business session when nomination of officers for 1972-73 school year will be made.

World Gardening

Is Club Program

"World Gardening" was the subject of a program presented by Mrs. A. A. Malottki Jr., at a meeting of the Gardenaires Garden Club held last week in the home of Mrs. Charles Kohl.

The program is an interest to the National Council of State Garden Clubs as well as local clubs, the speaker explained. All material sent to participating countries is given directly to the people and includes seeds and hand tools. The project is carried out to encourage better home gardens.

After the program, Mrs. Mary Kristian, exhibits chairman, arranged a display of dried garden materials and explained their usefulness in decorating or for home use.

Members also worked on the club's "book" which will be entered next month in District V's history book contest.

The next meeting will be held in the home of Mrs. Abe Shannon March 15. An election of officers is planned.

Levee District Budget to Hit All-Time Record High

A 1972 appropriation bill that is expected to hit an all-time record high if a proposed amendment is approved was adopted by the East Side Levee and Sanitary District board of trustees Friday.

Passage of the budget, delayed since early January by a series of political maneuvers, was voted during a hectic two-day session which involved two separate meetings and an executive session from which the board tried unsuccessfully to exclude the press.

Morris Campbell of East St. Louis, a former trustee whose seat on the board was declared forfeited after he was convicted last month of the theft of district funds and sentenced to one to two years imprisonment, sat through the meetings at the insistence of Trustee Lawrence Toland who frequently halted the proceedings by loud yelling.

While Campbell answered roll call on the budget and other board issues over the objection of Board President William "Mike" Ebersoldt of Venice, he voted "present" in each case. Ebersoldt said later Campbell's vote was not recognized and that he considered himself, Toland and James Pirtle, a trustee appointed by Governor Richard Ogilvie a week ago, as the only trustees legally qualified to vote on board matters.

Approve Payroll
The first meeting which began at 10 a.m. was a special session for approval of the budget. It was followed by a regular meeting in which the board also approved a \$2,150 payroll that was due Feb. 10. Levee district employees were

paid Friday immediately after the meeting.

The budget and appropriation measure, adopted after an hour of haggling over Campbell's ouster from his board seat and the subsequent appointment of Pirtle, an East St. Louis businessman, sets up total expenditures of \$1,404,150 from the general fund and three separate accounts.

It includes \$1,266,150 in the general fund, \$75,000 for municipal retirement, \$20,000 for auditing and \$13,000 for liability insurance.

The total is \$9,625 less than the \$1,496,775 appropriated for the general fund and three special accounts last year, but this reduction is certain to be wiped out when the board meets again tomorrow.

Friday's approval of the budget bill was voted subject to an amendment to include an appropriation of \$140,000 for payment of fees to election judges who served in a special levee board election ordered by Governor Ogilvie last year.

Suggest Change
During Friday's discussion of the budget, John Henne, executive secretary of the St. Clair County Taxpayers Association, pointed out that the budget failed to include the \$140,000 appropriation set up in the 1971 budget to pay the election costs. Bert H. Allison, auditor for the levee district, agreed with Henne and said the item should be inserted.

As a result, the total budget could rise to \$1,544,150 if the full \$140,000 appropriated last year is inserted in the new budget. Action on the amendment is expected in a recessed

Three Charged With Theft; Loot Found

A small portable television set and a clock radio were stolen in a burglary at the home of Doris Davis, 161 Briarwood Drive, it was reported at 8:40 p.m. Thursday. The items were recovered later. Three men leaving the area in an old station wagon were arrested for questioning and were released temporarily later in the night without charge.

The three men reported at police headquarters at 2 p.m. Friday and were charged with theft under \$150. Booked were Raymond P. Kahn, 22, of 2341 Terminal Ave., Wayne P. Lunsford, 19, of 1229 Madison Avenue, and Terry G. Edleman, 17, of 2825 Maryville Road.

Kahn and Lunsford appeared before Judge William Johnson who fined them \$500 each, but stayed \$400 of each fine and ordered the pair to work out the remaining \$100. Edleman is at a hearing at 9 a.m. Wednesday.
